Introducing... *Ember Hope Lumpkin*

Our little spark of hope is here! Ember Hope Lumpkin is a Leap Day Baby! She was born very quickly—the first Leap Day baby born at our hospital—at 12:44 am on Saturday, February 29, 2020 at 36 weeks and 1 day. She weighed 5 lbs 11oz and was 19 1/2 inches long. Although being 4 weeks early, she is doing great, and Mommy is too!

A huge thank you to everyone leading during Tabitha's maternity leave, especially to the Cox's, who were willing to make the sudden and unexpected shift from covering June to covering March! The Lumpkins will return in June!

Congratulations may be sent to : 9275 S County Road 850 W, Modoc, IN 47358
